Bank of China (BOC) Tax Payment Program (TPP) Terms and Conditions:

- This Tax Payment Program ("TPP") is valid only for personal income tax payable to the Inland Revenue Authority of Singapore (IRAS) in respect of the latest Year of Assessment in the year of enrolment to TPP.
- TPP is only applicable to members, whether principal or supplementary cardmembers, of all personal credit cards issued by Bank of China (Singapore Branch) (the "Bank"). By applying for TPP, you accept and agree to be bound by these terms and conditions, as may be amended, modified or supplemented from time to time in the Bank's sole and absolute discretion without giving any reason or prior notice (the "TPP Terms and Conditions").
- You may only opt to pay your personal income tax amount (the "Transaction Amount") either by a one-time payment or by monthly instalment payments over a period of 12 or 24 months. Principal and supplementary cardmembers may pay their own personal income tax only on their principal and supplementary cards respectively. For the avoidance of doubt, principal cardmembers shall be responsible for all payments that are posted to their supplementary card accounts.
- A minimum Transaction Amount of S\$500 is required for payment. In the event that the Transaction Amount is less than S\$500, the Bank shall decline your TPP application.
- A minimum one-time non-refundable processing fee of S\$20 will be charged for each approved application regardless of the Transaction Amount. The processing fee will be calculated in the following manner:
 - For all principal cardmembers and for those supplementary cardmembers who are not applying for TPP via the BOC Family Supplementary Card, based on the following rates and payment schemes:
 - 1.0% of the Transaction Amount for a one-time payment;
 - 2.0% of the Transaction Amount for monthly instalment payments over 12 months;
 - 3.5% of the Transaction Amount for monthly instalment payments over 24 months; and
 - For supplementary cardmembers of BOC Family Supplementary Card, based on the following preferential rates and payment schemes:
 - 0.8% of the Transaction Amount for a one-time payment;
 - 1.8% of the Transaction Amount for monthly instalment payments over 12 months; and
 - 3.3% of the Transaction Amount for monthly instalment payments over 24 months.
- If you choose the one-time payment option, you are required to submit your Notice of Assessment ("NOA") to the Bank before the earlier of the following events: (a) 7 days before the payment due date (as advised by IRAS); and (b) the 20th day of the calendar month. Your participation in TPP will automatically terminate upon the one-time payment being posted to your preferred card account.
- If you choose the monthly instalment payment option, your participation in TPP will automatically terminate upon the last monthly instalment being posted to your preferred card account.
- Only the account specified by you as the GIRO account, in the GIRO Instalment Plan for personal income tax of IRAS will be credited with funds by the Bank under TPP. The Bank will not process your application if the Bank has not received from you sufficient information or satisfactory documentation and the Bank will not be responsible for any delay or failure in your tax payment or for any fines, penalty, charges or fees resulting from any late payment or non-payment.
- You are solely responsible for the accuracy of all bank account details and other personal information contained in all documents that you submit to the Bank.
- The monthly instalment amount posted to your credit card account may not be the same as that listed in the cardmember's "GIRO Instalment Plan".
- Reward points and cash rebates will not be awarded for transactions relating to successful TPP applications. Any reward points and cash rebates that were awarded under TPP will be reversed.
- The Bank reserves the right to reject any TPP application or terminate TPP at its sole and absolute discretion at any time and without assigning any reason whatsoever. In this regard, you will not hold the Bank responsible.
- An administrative charge of S\$100 will be levied for any early repayment of the Transaction Amount or termination of the relevant credit card account under the monthly instalment option. In the event that you make early repayment of the Transaction Amount or that the credit card account is terminated before the expiry of the instalment period selected, the outstanding instalments under TPP shall become payable immediately and the full outstanding balance shall be posted to your card account immediately.
- Upon approval of your TPP application, your available credit limit will be reduced by the Transaction Amount but will be restored accordingly with your payment of each monthly TPP instalment.
- The Bank is not an agent of IRAS and makes no representation as to the services and customer service provided by IRAS nor the accuracy and timeliness of the NOA that you receive from IRAS. Any dispute which you may have in relation to the NOA or services or advice provided by IRAS shall be resolved directly between you and IRAS.
- In the event that there is any change to your circumstances, including but not limited to your designated bank/GIRO account, tax status or personal income tax payable, it is your sole responsibility to promptly notify the Bank of such change and provide the Bank with copies of all supporting documents, including without limitation to the latest GIRO Instalment Plan, any Notice of Amended Assessment, Notice of Additional Assessment, Notice of Repayment or any conclusive document relating to your personal income tax payable. The Bank shall not be responsible for any shortfall in or overpayment of your monthly instalment payment owing to any aforesaid change nor be responsible for any losses, damages, costs, fines, penalty, charges or fees whatsoever that you sustain arising from or in connection to such change.
- In the event that there is any inconsistency between the TPP Terms and Conditions and the terms of the BOC Cardmember Agreement, the former shall prevail. For the avoidance of doubt, the TPP Terms and Conditions are additional to the terms contained in the BOC Cardmember Agreement, which shall continue to apply.
- These TPP Terms and Conditions shall be governed by and construed in accordance with the laws of Singapore and by participating in TPP, you irrevocably submit to the exclusive jurisdiction of the Singapore courts.
- Other Terms & Conditions apply. Please visit www.bankofchina.com/sg for more information.
